

Sample Family Letter

Date _____

Dear Family,

Beginning on _____(date)_____ we will be studying a variety of Family Life Education topics that are of interest and concern to parents.

The lessons were developed by the Catholic Educational community and approved for piloting by the Ontario Conference of Catholic Bishops as supplemental resources for the Fully Alive programme.

Because the partnership of home, church, and school is so vital in this curriculum area, it is important that you be informed of this. Your comments, suggestions, and questions are most welcome. Please give me a call or send a note with your child.

You are encouraged to enter into the conversations at home as the lessons unfold. Please do not hesitate to contact me at the school if I can provide you with any further details of our discussions.

Attached is an outline of the lessons that we will be covering.

Thank you for your anticipated support.
