

Catholic Association of Religious  
and Family Life Educators of Ontario

This month we feature the LINKS section of the CARFLEO website at [www.carfleo.com](http://www.carfleo.com). These links have been compiled by teachers in the York Religious Education Additional Qualifications program. Each link has a brief description and a comment on their usefulness for classroom teachers.

A typical annotation is this one found under **Modern Prophets** section

**Corrie ten Boom**

**Secret Room** [http://www.soon.org.uk/true\\_stories/holocaust.htm](http://www.soon.org.uk/true_stories/holocaust.htm)

*This homepage gives a brief introduction to the true story of a brave Dutch woman whose story is told by Corrie ten Boom in her book the Hiding Place which was also made into a film. Comparisons of Corrie are made to Otto Schindler, who also rescued many Jews from the death camps and the story helps us understand the background to the Diary of Anne Frank. This short story (6500 words) can be downloaded for teaching purposes. It includes chapters, photographs of victims and illustrations of the concentration camps in Ravensbruck, as well as biographical information of Corrie ten Boom sharing her experiences as a Holocaust survivor with people on her travels. This site would be useful as a literary tool in teaching social justice and morality issues. This website also contains a test for class and individual study.*
